

THE ESTEVES

Missionary to the Philippines and to Southeast Asia

February 20, 2026

Dear Brother Ger and Church Family,

Grace be unto you and peace from God our Father and from the Lord Jesus Christ, Greetings from the Island of the Philippines.

Thank you so much for your prayers and helped in the ministry here in the Philippines. We been hit by a couple of Strong typhoon last Novemver 2025 it landed exactly in the place where our church located. We had no electricity for a month, and there was no communication as well. The Lord is indeed good, especially in times of trials. Even thou our Sunday school room was damaged, the most important thing is that everyone is protected and unharmed. A building can be repair but life and faith are far more precious.

Events like this reminds us that God doesn't abandon us in the storm. Continue to pray for us.

Meet Brother Roman the one was carrying a child. His aunt invited him to go to church, but she didn't tell him which church. One Sunday morning, Roman wanted to go to church, so he followed his aunt, but he didn't know which church they were going to. That day he came to our church. The Lord spoke to him there, and he came to know God. He accepted the Lord as his personal savior. There are no accidents we believe God allowed him to come to our church. We opened another Bible study in their house.

Missionary to the Philippines and to Southeast Asia

We have three different childrens center. We teach them on the road and on the sidewalks. While they are still young and their heart is not filled with the worldly things. It is good for them to know the God we serve. Thank you for your help and love for the work here in the Philippines. Whatever we have achieved, you have a big part in it. Our prayer is that the Lord will continue to bless you and the church.

We are please to announce that our Youth Camp will be held on April 21-24. We are prayerfully expecting 200 delegates to join us for this special time of fellowship, spiritual growth and renewal.

Our prayer is that God will use this camp to challenge and inspire young people to deepen their faith and commitment to Him. We are also believing that lives will be transformed and that souls will come to know the Lord during this gathering.

Please join us in praying that God will anoint and use our speakers mightily as they share His word. We also ask for you prayers for all the needs of the camp, financial provision, safety, good health and God's guidance in every detail.

Thank you very much for your continued prayers and support for the ministry here in the Philippines.

In His Vineyard,

Mark Esteves
